How to Get Started

Simply express your interest by completing the [contact form](#) on our participation page.

Private & GDPR Compliant

What Information Do We Collect?

We collect salary information that you voluntarily provide to us when you register as a participant in our salary benchmarking exercise for Cyprus.

In short:

- The data is processed exclusively within the European Union.
- The data is deleted from our servers instantly when the extraction is done.
- Our only usage of your data is to process it for the salary benchmarking purpose.
- We don't share your data with anyone.
- No storage:
 - We delete the data instantly when the salary data parsing is done.
 - We don't store the salary data longer than the time necessary to process it.
- Servers in the European Union only:
 - Our cloud servers are only located in the EU (Microsoft Azure).
 - Your data never transits to a third party outside of the EU at any moment.
